

REMARKS

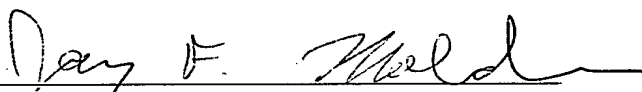

This application is the entry into the national phase in the United States concerning International Application Serial No. PCT/EP2003/009458 which was filed on 27 August 2003. The application was filed in the German language. Thus, a translation of the application is provided herewith. Applicant has also added the necessary section headings required by the U.S. Patent and Trademark Office, via preliminary amendment. Applicant originally filed this application with 12 claims. Certain of those claims were amended during international preliminary examination. Applicant takes this opportunity to cancel all of the previously pending claims 1-12. In their place, applicant submits herewith new claims 13-35 for examination.

Prompt and favorable examination of pending claims 13-35 is respectfully requested.

Respectfully submitted,

FAY, SHARPE, FAGAN,
